Taking a Grab? Look out for the designated pick-up points

BY GRAB

There are two designated Grab pick-up points within The Kallang:

- 1 PICK-UP POINT A @ STADIUM DRIVE**
Situated on the North side of the National Stadium along Stadium Drive. From the Promenade at National Stadium, cross the overhead pedestrian bridge near Gate 14 and head down the second stairwell on your right.
- 2 PICK-UP POINT B @ STADIUM CRESCENT**
Located beside Taxi Stand I28 on the East side of the Singapore Indoor Stadium, along Stadium Crescent. From the Promenade at National Stadium, cross over to the Singapore Indoor Stadium via the overhead connection bridge near Gate 2.

RECOMMENDATIONS

For National Stadium events, we recommend Pick-up Point A if you are exiting from Gates 8 to 23, and Pick-up Point B if you are exiting from Gates 1 to 7.

For Singapore Indoor Stadium events, Pick-up Point B is the most convenient as it is closest to the venue. Alternatively, Pick-up Point A may be a better choice if you wish to avoid the crowd.

Once at your chosen pick-up point, simply open your Grab app and type "The Kallang" as your pick-up location. Select either Pick-up Point A or B, followed by the specific bay (A1-A6 or B1-B5).
